

BE P'ARTIST

Youth Exchange
22nd July - 3rd August 2019

Street performing arts
CIRCUS, MUSIC, THEATRE,
DANCE, CLOWNING, PUPPET

ABOUT THE PROJECT

Be P'artist is a youth exchange open to 28 young artists and their leaders from 4 European Countries :

Portugal, Greece, Lithuania and France.

The journey will take place in Saint Flour de Mercoire, South of France, during 13 days in Summer 2019.

During this exchange 5 professional artists-educators from Spain, France and Italy will animate some artistic workshops and participants will share their artistic skills, in order to create together a Street Performing show, with melting artistic disciplines like music, circus, theatre, dance, puppetry, clowning...

We'll deal with the environment and the public space to create a strolling show that we will perform 3 times = once in St Flour de Mercoire (the village in which we'll stay), and twice in Langogne (the small town around) where we'll take part to a festival : « Festiv'Allier ».

This summer camp will also allow the group to talk about artistic professionalisation (how to become an artist, stakes and issues of this particular professional life) and about international mobility.

The project is open to all youngsters from 14 to 18 years old.

An artistic practice is needed, whatever it is. And a strong desire to go on stage !

The exchange will happen in English. Some translations can be organised in each national group if needed.

2nd : For the intercultural evening, you can bring food or drink (or any surprise) from your country/ region

3rd : For the TEDx video evening, we would love you to select some videos or teasers of street performing arts companies from your country !

4th : Don't forget to take warm clothes. Lozere can be cold even in Summer. Training clothes are also needed : something comfortable, but that can be handsome !
